

To retell the Christmas story as
Donkey

Thursday 8th
December
2016

I was in Joseph's carpenter shop and saw a bright light in Mary's house. I had a tingel in my belly, it felt like a special thing was coming.

Mary came out of her house it looked like she was crying. She said that an angel had visited her and

from heaven said that she is going to have a baby and to name him Jesus. Joseph exclaimed "Where are you going to have this baby? because I have to pay my taxes in Bethlehem." Mary replied "Then I'll have to have Jesus in Bethlehem." I was very confused but I went along with it.

The next day Joseph tied me up and said "We're going to Bethlehem so Mary can have her baby Jesus." So of we went to Bethlehem. It was a hard journey and with Mary on my back and Joseph pulling me it was even harder. We spent two days traveling and stayed at two camps. It looked like Mary and Joseph were worried, so was I.

We finally made to ~~Bethle~~ Bethlehem but it looked like Mary and Joseph couldn't find any where to stay. Joseph knocked on five doors but the only answer was no or go away. Finally, when Joseph knocked on the sixth door, a man said that Mary and Joseph could

stay in his stable for the night. So in that stable bare and cold baby Jesus was born.

A few hours later, some wise men came with Gold, Myrror, Frankincense as gifts. They said that they followed a star to find baby Jesus and that King Herod wants to find Jesus.

After a nother hour sheperds came to see baby Jesus. They said that angels came to say that a king is being born in Bethlehem so we came here.

It was a very special day for every one.
