To retell the Christmas story.

Late at night, we saw a shining bright star. "That's huge," yelled one of the wise men. "Yeah, it's very big," responded another. We all knew why it was there. Baby Jesus was born! We all went to King Herod to tell the good news. We walked a long way to him, we finally arrived. "I'm tired," said one of the wise men. We walked, and the police bring to catch a break!

We didn't get to say much, but we were going to tell him in the morning. We told him and then left. Herod said come back when you've found him so I can worship him. We went to follow the gold star. We felt very happy now!

We traveled a long way to Bethlehem. We were finally at our destination. We brought ^{shining} gold, frankincense and myrrh. We saw some shepherds, Mary and Joseph. Baby Jesus was so cute! Here's your gold, your frankincense and your myrrh.
