

It's My magic cloud

It's a Lion eating
It's a Genie floating
It's a Shark swimming
It's an angel shining

It's a cat playing
It's a dog chewing a bone
It's a fire breathing dragon
It's a face staring

It's a crocodile's mouth
It's a teacup being drunk out of
It's a person watching
It's My Magic cloud.

My magic Cloud

Its a hammerhead Shark Swimming

Its a dragons head moving

Its a whale in the Sea

Its a dog with a bone Walking

Its a Chicken Pecking

Its a Frog Jumping in the river

Its a bird flying in the Sky

Its a toad Croaking

Its a Person Smiling

Its a ghost in the distance

Its a duck on the Water

Its my magic Cloud
