there was a person his
name was Frodo his
age was 5 and one
day I was in the
sea. my criminal went
past me he nearly
choked me but he did
not get me I went
out off the water
then I did need to
rescue 100 people I
said to my self
Gather must of done
it. Then I ^{threw} a
car at him then that
^{injured} him Then I
did punch him I ^{thought} I
he was dead but he
was not the only
thing what can heal him
is water oh no this
