

Dear Lord,

I'm Sorry that I frame my brother for things.
I love him very very much! I do want to stop
but I can't, please help me. He doesn't deserve to
be treated like that. He is the best little brother ever.
I am Sorry please forgive me

Amen.

Amelia

Forgiveness

Dear Lord

Help me to make the right ~~the~~ choices. I know we
make the wrong ~~the~~ choices sometimes, but I will try to
make the ~~write~~ right choices.

When I say sorry I will try not to snap
at them. When I say sorry I will try
to say it more nicely

Amen
