To use dialogue in writing

All was quiet. I could hear water trickling down a small water fall. Slowly I ~~crept~~ ^{crept} forwards, there was a voice, ^{TX16}

P "H..h.. hello, is any body there?" I whispered not knowing what was going to happen next...

The ~~leaf~~ leaves rustled. A voice ~~quietly~~ quietly replied "What is a little boy like you doing in the middle of the jungle?" His eyes were like fire as he ~~stare~~ glared at me. Standing in the dark was a tall strong man with ripped clothes.
