BIG SCHOOLS' BIRDWATCH

www.rspb.org.uk/schoolswatch

RSPB Wildlife Explorers
is the junior membership
of the Royal Society for
the Protection of Birds

the world's biggest birdwatch!

We used the birdwatching as part of our science work, analysed the results in maths, did some creative writing about garden birds and are doing an assembly about it too!

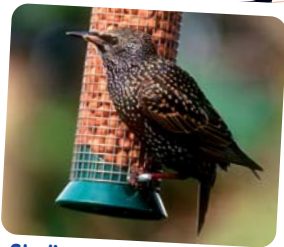

Primary teacher – Twynyrodyn

Yet again, the children in my class have thoroughly enjoyed the birdwatch. There are so many different activities that can be linked to this project and it really grabs the children's interest.

Primary teacher – Letchworth Garden City

The Big Schools' Birdwatch

is a simple bird survey for all ages and abilities that takes place during the first half of the spring term. This free activity only takes one hour, is rich in curriculum links and is the schools' counterpart to the Big Garden Birdwatch. This is the world's biggest birdwatch and has been run annually by the RSPB for 30 years.

Starling

Visit our website,
www.rspb.org.uk/schoolswatch
to find out more.

You will also find information about how to request your copy of the fantastic **Big Schools' Birdwatch** teachers' pack, how to download a host of fun activities, and the dates for next year's birdwatch!

Time at school will fly by!
